Volume Number XIX

Foreword

Granite High changes every year as the never-ending tide of students come and go; each class leaves its own distinguishing mark upon our Alma Mater's growing and maturing spirit. Now we have reached the end of another change. That greatest game, that special dance--they are all in the past, and now only the future beckons. For some, the future holds other special years at Granite; for others, high school days now are simply memories to treasure. To them, and to each student, the staff of the 1966 BOULDER offers our window through which a wonderful year may be viewed once more. We hope that you, after turning again to your BOULDER, may fondly recall that intrinsic part of your life spent at our Alma Mater.

Tho winter turns

Sure you've got a winning team, but don't take it out on me!

O-o-o-o, we better hurry they're already serving the food.

I must be dreaming--

to summer

and the present disappears,

Is it really worth it?

Oh well, I guess they know what they're doing.

Decisions-Decisions-Decisions

we will have these

"Moments to Remember."

ADMINISTRATION

PRINCIPAL

Bill C. Metcalf

Of all the many purposes the BOULDER will serve this year it should remind us that life is a vast bundle of associations and relationships. One of the primary relationships that develops through the school years is that of the student and the principal.

Although this is the first year Mr. Metcalf has served as principal of G. F. H. S., a close relationship has been established between him and the students. Because of his deep understanding of the students of our school and his willingness to render any service possible to help them, the students of G. F. H. S. have grown to like and respect him as an administrator.

We dedicate to you . . .

We, the students of Granite Falls High School, in an effort to remember that person who has best remembered us, hereby honor one . . .

Whose shining example of cheerful service and sincere interest has remained over the years as an indication of deeper love.

Whose skillful presentation of knowledge gave us both the facts involved and their meaning in today's world, and

Whose unanswering devotion and high principle in the field of education have served as both an inspiration and an endearing factor to us who have benefited by his example.

For these reasons, with boundless gratitude and sincere admiration, we dedicate the 1966 edition of the Boulder to . . .

Demon squad shows

The 1965 Blue Demon squad brought many new faces to the Granite gridiron. Although the team faced a lack of experience, size, and speed, the Demons offset these obstacles by hustle and intense desire. The team surprised many fans and finished the season with an 8-1-1 record.

GRANITE vs DREXEL

Granite opened its football season with a bang by defeating the Drexel Wolverines 13-0. After a scoreless first quarter Granite broke the ice in the second period and put its first six points of the new season on the scoreboard, sparked by the play of Mike Mackie and Mike Simmons.

The Blue Demons began to click in the fourth quarter, and they scored once again. The Demons were led defensively by Munday, Childers, and Smith.

GRANITE vs BUNKER HILL

Granite traveled to Bunker Hill to begin its defense of the Southern District 7 Conference crown and came away from its first conference game with a surprisingly easy 39-6 victory. The Blue Demons were in command all the way and were never headed after their first score. Everyone on the Demon squad got into the picture, and the result was quite satisfying.

GRANITE vs ROCK SPRINGS

The Rock Springs Warriors invaded the Demons homefield seeking a victory but left with a stinging 38-0 defeat on their hands. The victory was high-lighted by the offensive play of Munday and Mackie and the defensive play of Childers and Smith. The Demons showed improved all-around play and hustle.

GRANITE vs HILDEBRAN

The game which everyone was waiting for finally came to reality as the Demons faced the Royals. The first half was scoreless as the Demons made several gallant goal-line stands without allowing the Royals to score. Granite was unable to move on offense until the second half. Then the Demons fired their way to a touchdown in the third quarter and followed up with another TD in the fourth quarter to put the game on ice. Granite's defense was tremendous, as they time after time stopped the Royals in the Demons well-earned, 12-0, victory.

GRANITE vs GAMEWELL

The action of this game was definitely "marred," by the rain-soaked field of the Gamewell Blue Devils. The adverse weather conditions led to some rather sluggish going as the Demons racked out a 26-0 win. The Demons defense once again blazed through, as they completely bottled up the Blue Devils. The shutout was the fourth of the season for the Blue Demons.

GRANITE vs FRED T. FOARD

Granite put its undefeated record up against the Foard Tigers, and the Tigers came very close to putting it into their "tank," as they lost by only one point, 13-12. The first half was a defensive battle in which Granite scored but once, on a run by Munday. The Tigers came roaring back with an interception which went all the way for a last minute TD, before the half. The second half began dismally for the Demons as Foard scored first but failed for the second time in their PAT attempt. The Granite team received the ball and with real fight and hustle scored the TD on a run by Mackie. The crucial extra point was bulled over by Munday, as the Demons edged out the win.

GRANITE vs BANDYS

The Blue Demons found going a bit rough as they played on the homefield on the vastly improved Trojans and came away with a 7-7 tie. The Demons were the first to score on a run by Mackie and were successful in their PAT attempt. The Trojans scored their TD late in the first half and also made their important extra point. The action in the second half was fast and sometimes quite furious, as both teams went all out for the win. The Demons started a drive late in the fourth quarter but were stopped on the Trojan 20 yard line with an interception.

GRANITE vs WEST LINCOLN

The large Homecoming crowd was treated to a powerful offensive display by the Blue Demons as they routed the Rebels 48-6. The Demons scored at will on the battered Rebels and left with a 28-6 lead at intermission. Coach Kirkpatrick let his reserves play almost the entire second half with very pleasing results.

GRANITE vs ST. STEPHENS

The Indians of Coach Tommy Simmons attacked the Demons' fort and came very close to pulling off quite a massacre. The Indians jumped on the Demons and scored two quick touchdowns while playing a tenacious defense and the dazed Demons left at the half trailing 14-7. But the Demons showed their true spirit as they entered the second half. From the first play the Demons fired, they began to click, and scored and scored and scored. Led by Mike Simmons, the Demons won a great comeback by 34-14.

GRANITE vs MAIDEN

The game that was to decide the conference championship came with the Maiden Blue Devils. The Demons were completely bottled up by a ferocious Maiden defense and failed to move the ball for any sustained drive. While the Devils' defense kept Granite shutout, the offense ran wild and rolled up a grand total of 40 points. The Demons, outweighed and at a distinct disadvantage in their lack of speed, were defeated 40-0. Although the odds were against them, the Demons played on pride and heart, as they had so often through the season, and left the field with a season record of 8-1-1.

Baseball

Hard hitting and some fast pitching led the Blue Demon's baseball squad to a winning season in 1965. Under the guidance of Coaches Deal and Kirby, the team was in the thick of the conference race throughout the season. The Demon sluggers were led by Martin Smith, Mike Simmons, Dennis Munday, Rick Church, and Allen Sherrill. The fire power from the mound was in the capable hands of Larry Teague. With a number of lettermen returning for the season, the Blue Demons should once again be in contention for conference honors.

Coaches Wayne Kirby and M. Sinclair Deal
